What to expect

Thank you for signing up to our Bliss London Little Lights Walk! We are so excited to welcome you. The walk follows a very gentle family friendly route and we will be walking at a slow pace that is suitable for children. It is only around 2k in distance. This will be a guided walk, so please be prepared to follow the Bliss leads, who will be wearing high vis jackets.

- Tickets are limited and because of this we ask that you do not bring any additional guests with you who have not registered. We provide the venue with a full list of attendees before the event, so only people who have registered in advance will be able to attend. Friends and family that have not registered and fundraised will be unable to wait at our reception venue.
- We ask that you give your full attention whilst any health and safety briefings are taking place.
- The Bliss Walk guides will be lit up and in hi-vis jackets, so you can clearly identify them.
- We will have hot drinks and snacks available for you to enjoy after the walk. There may be food and drink containing allergens; these will be clearly marked. If you or a member of your party has a food allergy, please ensure they are carrying an Epipen.
- We will have a photographer taking photos before, during and after the walk. If you want to be photographed as a group or family, please do ask them. We have a Bliss selfie board too! These photos will be shared on social media and may help us promote future walks. If you do not want images of you to be shared on social media, please let us know.
- If you take any photos on the walk, please share them on social media using **#LittleLights** and @Blisscharity – you can also email them to us after!
- Pre purchased Light up the Night bundles will be given out as you sign in. We will have extras for sale if you'd like to buy additional ones.
- Children's medals and certificates will be awarded after the walk.

What to bring

- Please come to the walk ready to **light up the night**! We want you to bring lanterns, torches, glow sticks, and fairy lights. We'd love to see you decorate yourselves and buggies. You will be able to change into your Bliss t-shirt at the venue if needed.

- We have will be handing out a 'Little Lights Bingo Card' to the children in attendance so they can spot some key landmarks on the route, please do bring a pen or pencil so they can cross these off as we walk!

For those walking in memory

We will have a remembrance area set aside at the reception venue, to remember the babies that sadly cannot be with us. Here you can add a star or heart to our memory tree if you wish to. If you would like to bring a photo on the day of the walk, please feel free to do this.

Focus on fundraising

Your fundraising is vital to Bliss, so that we can support even more premature and sick babies and their families.

We ask all registered walkers (adults only) to aim to raise **£100**, but we would love it you smash this target, and help us raise an amazing **£20,000**.

As well as asking your friends and family to sponsor you, some of our other favourite ideas to top up your fundraising include:

- Asking your employer to match your fundraising;
- Hosting a bake sale at your work, home, local school or nursery (you can ask us for one of our special Bake for Bliss packs!);
- Asking your employer or school to have a dress down day;
- Putting collection tins in your local shops and businesses;
- Asking for donations in your Christmas cards towards your Little Lights fundraising (these can be sent in at a later date).

Please try and complete your fundraising by **14 December 2026**, so we can announce the total raised.

How to find us

The walk will start and finish from our reception venue **Ernst & Young, 1 More London Place, London, SE1 2AF.** What3words: ///divisions.play.skill. Google maps link.

This is a short walk from London Bridge station. It is best to exit the station on the lower concourse at **Tooley Street exit,** as this is very close to the venue.
